

## SOLO PRODUCT FACT SHEET

### The Richie Soccer Brace<sup>®</sup>

#### **Description:**

The Richie Soccer Brace<sup>®</sup> is a custom ankle brace that incorporates a shin-guard for soccer practice and competition. This brace is a specialized version of the Richie Brace<sup>®</sup>, a custom articulated ankle foot orthosis. The Richie Soccer Brace<sup>®</sup> includes custom, balanced functional foot orthosis articulated at the ankle with a semi-rigid ankle brace.

#### **INDICATIONS:**

- Functional instability of the ankle and subtalar joints
- Post grade II and grade III lateral ankle sprain
- Recovery from syndesmosis sprain
- Severe severs calcaneal apophysitis
- Chronic medial tibial fasciitis (shin splints)
- Tendinopathy of the foot and ankle

#### **BENEFITS:**

- Control of first ray, midtarsal and subtalar joints
- Pure, unrestricted sagittal ankle motion
- Control of ankle inversion/eversion
- Control of tibial rotation on foot
- Optimal shoe fit
